ORDER

23 Civ. 8227 (PMH)(JCM)

The Court held a Telephone Conference on April 3, 2025, during which the Court adjourned the settlement conference previously scheduled for April 7, 2025 to May 6, 2025 and, in part, directed that “Plaintiffs must make at least one new settlement demand, and Defendants must make at least one new settlement offer” prior to the submission of their *ex parte* letters. (See Docket No. 39 and the April 3, 2025 Minute Entry).

The Court has received the parties’ *ex parte* letters, however, from the submissions, it appears that the parties have not complied with the directive to exchange a new settlement demand and offer. Thus, the parties are directed to comply with the Court’s Order and exchange a new demand and offer prior to the May 7, 2025 Settlement Conference. If, after doing so, the parties do not believe that a settlement conference would be fruitful at this time, they are directed to immediately notify the Court in writing.
